ANTI-CORRUPTION DRIVE.**

As a preparatory measure towards the rollout of H.E. John Dramani Mahama's promise to recover proceeds of corruption and hold persons responsible for such corruption accountable when he assumes office, a Team has been set up to receive and gather information from members of the public and other sources, on suspected acts of corruption.

The Team comprises the following individuals:

1. Hon Samuel Okudzeto Ablakwah – Chairman
2. Mr Daniel Domelovo-Former Auditor-General
3. COP(Rtd.) Nathaniel Kofi Boakye
4. Mr Martin Kpebu-Private Legal Practitioner
5. Mr Raymond Archer-Investigative Journalist.

Anti-corruption, with Operation Recover All Loot (ORAL) as a major plank, formed a core part of H.E John Mahama's policy platform in the 2024 campaign and he intends to hit the ground running on these commitments.
